Lazy Loaf and Kettle has been providing Calgarians with fresh baked bread, sandwiches, desserts and more for over 30 years!

Sharing family recipes passed down through generations, and adding a few of their own, this family owned and operated restaurant has been serving a regular, devoted customer base from the same location they are in today, in Parkdale.

Lazy Loaf and Kettle strives to make everything in house that we can. Our Montreal Smoked Meat is a 2 week process, curing, smoking and steaming to perfection!

With so much goodness coming from it's in-house bakery, smokers, locally roasted coffee and fresh soup and sandwiches, it's easy to see why the Loaf is one of Calgary's favorite dining and catering spots.
